## about our pastries:

our pastries are made with a whole wheat sourdough and laminated by hand right in our kitchen. This three-day process results in some of the freshest, tastiest pastries you will find in WV.

We maintain a selection of several varieties that are always available but they also function as a palette of creativity for our bake staff & we create seasonal specialty flavors with products from our local farmers. Ask what seasonal flavors we have today!

## about our bagels:

all our bagels and other baked goods are made from scratch with a high quality wheat (or gf) flour and are baked fresh right here in the Golden Rule.
